Mail Stop Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

On May 22, 2006, Applicant filed an Amendment by facsimile transmission ("the first facsimile transmission") to the United States Patent and Trademark Office (USPTO) at (571) 273-8300. For reasons unknown, the facsimile machine of the USPTO received the Amendment in two portions.

On May 22, 2006, again Applicant retransmitted the Amendment by facsimile transmission ("the second facsimile transmission") to the USPTO at (571) 273-8300. Again for reasons

Clean Copy of Previously Filed Amendment

unknown, the facsimile machine of the USPTO received the Amendment in two portions. The splitting of the Amendment into two portions was different than in the first transmission.

Upon review of PAIR, Applicant believes that each page of the Amendment was successfully received by the USPTO either in the first facsimile transmission or the second facsimile transmission.

As a courtesy to the Examiner, Applicant is sending, via United States Post Service First Class mail, a clean copy of the Amendment previously filed on May 22, 2006.

Although no fees are believed to be due in providing a clean copy of a previously and timely filed Amendment, the Commissioner is hereby authorized to charge additional fees or credit overpayments to the deposit account of McAndrews, Held & Malloy, Account No. 13-0017.

Dated: June 6, 2006

Respectfully submitted,
